Policy Statement

Blossoming Communities aims to commit to practices and standards designed to promote environmentally responsible operations.

These include but are not limited to:-

Encouraging awareness and good practice amongst staff, volunteers and workshop participants.

- Using existing community centres and venues.
- Car share wherever possible.
- Minimise packaging and other waste.
- Pass on unused items and resources.
- Reuse and repurpose waste products.
- Use, where possible sustainably produced materials.
- Conserve energy and water.
- Reduce consumption of single use plastics.
- Only use biodegradable glitter.
